Art Unit: 1724

Applicant's election with traverse is noted. The basis for traversing the requirement for restriction is that the burden on the Office is outweighed by the burden on the applicant. This argument is not persuasive because the test is not a balancing of respective burdens: The test is whether *inter alia* there is a serious search burden on the examiner. The examiner has pointed out why there is such a burden. The applicant has not produced evidence to the contrary. The requirement for restriction is therefore made FINAL.

GLUTARALDEHYDE IS MISSPELLED IN CLAIM 3.

Claims 1 – 21 are allowed.

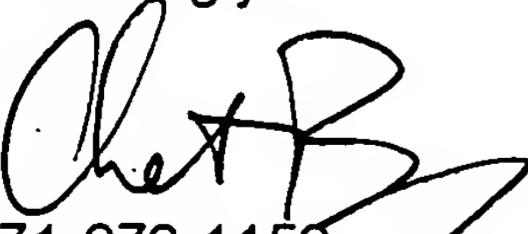

This application is in condition for allowance except for the following formal matters:

Cancellation of claims non-elected with traverse.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

Upon cancellation of the non-elected claims, applicant must amend the title accordingly.
